TAKE STEPS TO ENSURE THE SAFETY OF YOUR ANIMALS

Taking your pets along is the most important thing individuals or families can do for their animals during a hurricane evacuation. Pets left behind can be injured, lost or killed during a storm, or in its aftermath. Pet owners should include their animals in their Family Hurricane Planning, before a storm threatens.

PET FRIENDLY SHELTERS:

Please bring 3 days of food, pet's shot records and crate (for every animal)

- Dennis Yarmouth High School
210 Station Ave
