### Public Health Division Seasonal Flu Clinic

**Fri. Nov. 13, 2009**  
**9:00 a.m.– 11:30 a.m.**

**St. George Greek Orthodox Church Community Center**  
**Route 28, Centerville**

The Town of Barnstable Public Health Division recently received a limited supply of seasonal flu vaccine. Therefore, we are limiting this clinic to those who are at risk of serious illness or death from seasonal influenza.

We expect to hold another clinic sometime in December once we receive additional vaccine.

This clinic is open to Town of Barnstable residents only.

The fee is \$3.00

Please do not come early. We will not be able to accommodate anyone before 9:00 a.m. because the nurses require several hours to fill the syringes.

This is **not** a vaccination clinic for H1N1 (swine flu). H1N1 vaccine is not yet available in quantities sufficient for large public clinics.
