8th annual School Vacation Fun-Filled Clamming Class for Kids

Barnstable's Natural Resources Program will offer two
FREE shellfishing classes for young people.

Pick from one of two dates for our shellfish class:

WEDNESDAY, April 21th @11:00am at Cordwood Landing, Cotuit

SATURDAY, April 24th @1:00pm at Cordwood Landing, Cotuit

- ★ All youngsters must be accompanied by an adult who must have a current 2010 Town of Barnstable Shellfish License to harvest shellfish that day.
- ★ Natural Resources staff and town shellfish volunteers will be available to assist any young digger who wants the help.
- ★ Be prepared to get wet! The shellfish live in wet sand that gets covered by saltwater when the tide is high. Waders, hip boots or knee boots would be helpful. Protective gloves are necessary. Water temperatures will still be cool.
- ★ Shellfish may be taken by hand or rake. Small (garden) hand rakes and trowels will be allowed for the young diggers.
- ★ Attendees will receive a free "Clammer Kid" badge and an activity booklet. Shellfish that are legally harvested may be taken home.
- ★ Certificates of Completion for this Clamming Class for Kids will be handed out as you leave.
- ★ SHELLFISH REGULATIONS APPLY AS ALWAYS!

The comfort and safety of participating youngsters is
the responsibility of the accompanying adult guardian.

For more information, call Natural Resources during office hours
Monday - Friday from 8:30am to 4:15pm at 508-790-6272 or
direct your questions via email to amy.raitto@town.barnstable.ma.us
