The Town of Barnstable, Sandy Neck Program is pleased to announce that we will be hosting an informational meeting on Wednesday, February 24<sup>th</sup> at 5 pm at the West Barnstable Community Building, Route 149, West Barnstable. The purpose of the meeting is to inform interested citizens about our plans for a new Sandy Neck Bathhouse and Garage. We are in the preliminary stages and looking for feedback from the community as we move forward in the process. The meeting will give us an opportunity to present our plans to raze and rebuild the bathhouse in its existing location and to construct a new garage and sidewalks. This project will be financed entirely from fees paid by the users of Sandy Neck.
